

# Look for the Litter that Supports Our Shelter!

**LOOK FOR THE GREEN JUG™**

Cat's Pride® has set a goal: to donate 20 million pounds of litter to animal welfare organizations by the year 2020. For every green jug of Cat's Pride® Fresh & Light® sold, they donate a pound of litter. So whenever you are in need of more litter, be sure to LOOK FOR THE GREEN JUG™! And don't forget to nominate us to receive some of the donated litter!

**Help us receive donated litter:**

- 1.** Go to [catspride.com](http://catspride.com) and sign up for the free Cat's Pride® Club.
- 2.** Click on the "Nominate" button and nominate us. The more nominations, the more litter we are eligible to receive.
- 3.** Buy a green jug of Cat's Pride® Fresh & Light®. And every time you do, another pound of litter is added to the total amount donated.

**Thank you for your continued support! None of this would be possible without you.**
